

Looking for a different idea for your child's next birthday party?

Let Cherilyn's School of Dance host your next party!

We offer birthday parties inside and outside of the studio!

Birthday parties held at the studio are two hours long. You supply the cake, decorations, and snacks; we supply the entertainment!

If you choose to have the party outside of the studio, we will come to you!

For one hour we will play any games or instruct any dance style of your choice!

You choose the theme, games, and style of dance then we will provide the entertainment!

We play various games based on your theme or interest.

Examples of themes: Frozen, ballerina, Hawaiian, hip hop, and princess.

Examples of dance styles: ballet, tap, hip hop, and jazz.

Contact the studio for availability and pricing information!
