## **SPECIAL NEEDS MOVEMENT**

Special needs movement is a class meant to help aid children/teens (ages 6+) fine and gross motor development, stimulate attention, cooperation, sensory processing, visual skills, speech/language development, and impulse control. We use various props to help aid in skill & rhythm building. A focus will also be on social skills to help students build friendships and learning to act appropriately in a classroom setting.

**Class is held Fridays from 5:30p-6:20p  
& is only \$47 monthly**
